

MISSIONARY TEAM

MINISTRY DESCRIPTION

Awana Clubs International is advancing a team approach to caring for the churches that we serve. In an effort to specialize duties and better minister to the churches in this area, Mike & Becky Sexton and Joel & Virginia Cook are working closely together as a missionary team. In the new model, there are three roles: Church Care, Development, & Outreach. As you can see in the organizational chart below, the two missionary couples will divide duties over three roles and concentrate their efforts in the areas God has best equipped them.

We are very excited about this new field structure. The tasks are challenging and the ministry team plays a vital role in quality service to all the area churches. We ask for you to pray for Joel & Virginia as they continue their support raising. We also ask that you pray for the Lord to raise up additional ministry team couples and individuals, and additional missionary staff to fulfill the vision for N. CA & N. NV.

It is our pleasure to assist your church so that together we can strive towards our prayer statement:

**That all children and youth throughout the world
will come to know, love, and serve the Lord Jesus Christ**

Serving Christ with you,
